Dear fellow dealer and OMVIC member

At OMVIC's upcoming Annual and General Meeting (AGM), the term of office for three (3) directors will expire and their replacements will be elected. As part of the attached material, you'll find information explaining the election process and information regarding the candidates who are seeking election at our meeting to begin their three-year terms as OMVIC Directors.

I would like to take this opportunity to express my personal appreciation for the significant contributions made by outgoing board member Colin Abbott of Car-o-line Auto's in Chesterville and also to Ron Scagnetti, Sr of Mid North Motors in Sudbury.

Colin and Ron served the Board with dedication and with keen sense of the important role played by OMVIC in raising the standards in the dealer sector. They proved to be vigorous advocates for professionalism in the dealer community in Ontario and served on OMVIC's Industry Professionalism Advisory Committee. We wish them well for the future.

I also wish to congratulate OMVIC staff who put in another stellar year of service. During calendar 2005, OMVIC staff completed over 3,800 inspections, 35,000 registration transactions, handled over 100,000 telephone inquiries, handled some 900 complaints, and laid over 1,800 charges and supported Board and Committee activities.

And finally, allow me to express my appreciation to the members of the Board of Directors for their hard work, dedication and personal support in meeting the many challenges during the year 2005. It has been an honour and a pleasure for me to serve as OMVIC's chairperson this past year.

Sincerely yours,
