April 2007

Dear fellow dealer and OMVIC member,

My term on the Board of Directors comes to end at our 2007 Annual and General Meeting of Members in May. It has been an honour and a pleasure for me to serve as OMVIC's chairperson this past year.

At OMVIC's upcoming Annual and General Meeting (AGM), the term of office for three (3) directors will expire and where applicable their replacements will be elected. As part of the attached material, you'll find information explaining the election process and information regarding the candidates who are seeking election at our meeting to begin their three-year terms as OMVIC Directors.

I also wish to congratulate OMVIC staff who put in another stellar year of service. In calendar 2006, OMVIC staff completed over 3,600 inspections, 34,000 registration transactions, handled over 100,000 telephone inquiries, mediated some 1,200 complaints, laid over 2,300 charges and supported Board and Committee activities.

And finally, allow me to express my appreciation to the members of the Board of Directors for their hard work, dedication and personal support in meeting the many challenges during the year 2006.

Sincerely yours,
