

## **OMVIC APPLICANTS MUST GET THEIR OWN CRIMINAL RECORD SEARCHES**

Owing to some recent changes at the Ontario Provincial Police (OPP), OMVIC is no longer able to obtain criminal record checks on behalf of our applicants or registrants.

Effective immediately, applicants will be required to provide us with an original Security Clearance report or Criminal Record check from their local police or OPP detachment.

This new requirement affects all new salespersons and new dealer applicants but would not affect renewal applicants.

Details about how this new procedure works and other applicants to whom it applies is available on our website under Registration -> Forms -> OPP Procedure Notice.
