

## NON-COMPLIANT BILLS OF SALE

It has recently come to OMVIC's attention that certain elements of the Vehicle Purchase Agreement, including terms and conditions on the reverse, distributed by Reynolds and Reynolds are **not** in compliance with the new *Motor Vehicle Dealers Act*, and **should not be used**.

For example, the required SALES FINAL statement, CAMVAP and Safety Standards certificate statements either do not meet the prescribed requirements or are not contained in the Vehicle Purchase Agreement and attachments. Certain terms and conditions are also problematic.
