

OMVIC ANNOUNCES QUICKER SALESPERSON REGISTRATION

We know how important it is to get new salespeople registered as quickly as possible. Accordingly, we are pleased to announce some changes to our procedures which will expedite the process.

We are introducing a fast-track process for some new salesperson applications. Most fast-tracked applications will be processed within 2 business days of receipt unless there are concerns with the applicant's past conduct. In order to qualify to be fast-tracked, the applicant must

- Complete all questions in full, including employment or other activities for the past five years
- Complete their BackCheck records check at www.omvic.on.ca, www.oada.ca or www.ucda.org and have results sent to OMVIC the next business day (more details about that below)
- Attach the required fee and legible copies of identification
- Complete the OMVIC certification course. Please note, we will be pleased to accept applications with confirmation of enrolment in the course. However, we cannot approve your application until we receive confirmation of course completion from Georgian College

Also, waiting for a security clearance report from your local police can cause a significant delay. We're happy to announce we have an arrangement with BackCheck which will allow applicants to

1. Initiate your records check on-line using the BackCheck page on OMVIC's website at <http://backcheck.net/OMVIC/>. OMVIC compliant BackCheck reports can also be requested through the Ontario Automobile Dealers Association website at, www.oada.ca or the Used Car Dealers Association at www.ucda.org.
2. Present your identification and ID verification form at any Canada Post outlet
3. Have your results sent automatically to OMVIC the next business day

To speed up the process, all new salesperson applicants should order their BackCheck records check before submitting their application to OMVIC. Once you've completed the process with BackCheck, just indicate your five to six-digit order number in the appropriate space on your application form. We should receive your report directly from BackCheck the next business day. There is no need to wait for your BackCheck report before submitting your application to OMVIC.

We will of course be pleased to accept a security clearance report from your local police if you have already requested one.

Please note we cannot accept any BackCheck or local police report that is more than six months old.

If you have any questions please contact us at registration@omvic.on.ca or call 416-226-4500 or 1-800-943-6002.
