## 2017 AutoShow Reminder

OMVIC is reminding dealers and salespeople who are participating at the upcoming Canadian International AutoShow (CIAS) that each salesperson must possess a valid OMVIC Registration Certificate that **shows the name of his or her current employer(s)**. AutoShow personnel will not grant admission passes to dealers/salespersons who cannot present their Registration Certificate.

CIAS has informed OMVIC that while on duty at the AutoShow, dealers/salespeople are required to display their CIAS identification badge along with their OMVIC Registration Certificate. CIAS will make lanyards available.

### Ensure Your OMVIC Registration is Valid

Each year the AutoShow turns away salespeople seeking credentials because their OMVIC registration has lapsed or they have transferred dealerships but have not updated their registration. If you will be working at the CIAS, ensure your registration is up-to-date!

To change or renew registration, contact OMVIC's Registration Department at 1-800-943-6002x3941; via email at [registration@omvic.on.ca](mailto:registration@omvic.on.ca); or utilize OMVIC's online renewal service, it's fast, easy and available 24/7 on OMVIC's [website](http://omvic.on.ca).

Have a successful AutoShow!
