## Ontario to enter step two of its Roadmap to Reopen on June 30

On Thursday, June 24, 2021, the Ontario government [announced](#) it will move the Province to Step Two of its [Roadmap to Reopen](#) on Wednesday, June 30, 2021.

### Dealers may remain open with the following restrictions:

- Dealerships must operate at 50 per cent capacity where two metres physical distancing can be maintained
- A [safety plan](#) must be prepared and made available upon request
- All individuals must physically distance at least two metres apart and wear a mask or face covering inside the premises
- Line-ups and patrons congregating must be two metres apart inside and outside. Masks or face coverings are required in line-ups.

### Test drive restrictions

The Province will continue to allow test drives under certain restrictions:

- Test drives must be limited to a maximum of 10 minutes
- A maximum of two people, including up to one sales representative, may be present in the vehicle during the test drive
- If two people who are not members of the same household are present in the vehicle during the test drive, all windows in the vehicle must be opened at all times
- Mask-wearing, face coverings and motor vehicle disinfecting policies should be consistent with the dealerships' safety plan.
